

Invitational Tournament Policy:

1. Registered school teams are encouraged to organize and host their own invitational tournaments. Invitational tournaments can also be sponsored by higher educational institutions and outside organizations.
2. Invitational tournaments must be registered with the National Science Olympiad office. (Check with the state director for password.)
3. It is expected that all invitational tournaments will comply with ALL Science Olympiad policies.
4. Two weeks prior to the date of the invitational, the host director must submit a list of competing teams to ensure that all participants are registered with the state for insurance purposes.
